ISSUE 5 | MARCH 2018

BRIGHTON COLLEGE'S NEW SPORTS & SCIENCE FACILITY - PROGRAMME UPDATE

March 2018

During March we have seen the installation of the pre-cast culverts below the campus level slab to be North of the building. Following the installation we are carrying out the waterproofing works prior to back filling back to campus level allowing the concrete slab works to continue.

At the same time we have now cast the first sections of the basement walls and carpark slabs

Drainage works are continuing at the basement level ahead of the concrete works

Export of earth has continued albeit to a reduced capacity. Generally we are down to 2-3 lorries per day on turnaround from the recycle plant.

April 2018

We will be continuing with concrete works to the campus slab level reaching the swimming pool area towards the end of the month. Walls will continue to be cast to the perimeter behind the campus slab works.

The slab at field level starts at the end of March completing the concrete frame from North to South.

The latter part of April will be spent aligning the site to receive Steelwork and precast concrete elements during May.

Export of earth and back filling to the culverts will continue during April for completion in May.

Building fact file:

- Number of Piles installed - 671
- Total usable floor area of sports rooms - 1114m².
- Total Underground Parking - 737m²

Local and looking for work?

As one of the largest UK most successful privately owned businesses we have a vested interest in engaging with the local communities in which we work. We make every effort to support local workers, residents and the wider community.

Working alongside The CCS, we have developed a local employment initiative. If you hold a valid CSCS licence and would like to work on site, please call either:

Search on 01273 855021,
Elliot Scott on 01293 817749 or
Randstad on 01273 974829
to discuss future opportunities.

We are registered with the Considerate Constructors Scheme (CCS). The CCS is the national initiative set up by the industry to impose high standards within the construction industry. This means that we pride ourselves on complying with a Code of Considerate Practice, designed to encourage best practice beyond statutory requirements.

On site CCS contact details:

André Henriot (03330 772 148)
CCS Registration Number: ID 60156

This site has recently
achieved
**PERFORMANCE BEYOND
COMPLIANCE**

Community Engagement

As part of our Community Engagement Strategy we actively engage with the local community to:

- Promote local labour - **currently 30% local labour**
- Provide work experience opportunities - **working with BHCC Youth Employability Service for future work experience**
- Work with local schools and youth clubs

- Run fundraising events (Look out for information on our charity parachute jump this summer!) - **sponsoring Peacehaven United Youth FC**

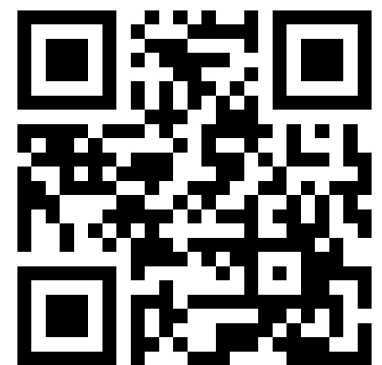

Recycling

The site has currently recycled all construction waste.

Office Waste 100% recycled
Construction Waste 100% recycled

QR Codes

We have placed posters of our QR Codes along the site hoarding perimeter. Simply use your smartphone, iPhone, Android or Blackberry camera to scan the QR Code to find out more about the site works.

Site Operation Hours

The current hours of operation agreed with Brighton & Hove Council are:

Monday to Friday: 8am - 6pm
