ISSUE 9 | OCTOBER 2018

BRIGHTON COLLEGE'S NEW SPORTS & SCIENCE FACILITY - PROGRAMME UPDATE

October 2018

Substructure

October sees the completion of the basement and field level slab.

Superstructure

October will see the steel frame completion, including all the floor slabs poured. Releasing the building over to the façade and internal works.

Envelope

The external envelope has progressed well with the large elements of glass installed to the north elevation college terrace and east elevations. Great progress is being made for closing the building up from the elements, with a view for ½ the building to be installed.

Mechanical and Electrical

Rain water outlets and associated pipework within the building continued for water management. We are also progressing electrical items.

Roof

Installation of the permanent handrail systems to be commenced to the North of the building.

November 2018

November should see noticeable progress to the North of the building façade works.

We will commence early fit out activities and progress Mechanical and Electrical first fix items.

We will commence the North roof weathering.

Building fact file:

There will be 2584 sqm of sports areas!

There will be 2395 sqm of science areas!

Local and looking for work?

As one of the largest UK most successful privately owned businesses we have a vested interest in engaging with the local communities in which we work. We make every effort to support local workers, residents and the wider community.

Community Engagement

McLaren seek to employ local tradesmen and continue recycling to mitigate carbon emissions. Local labour resourced displayed via community engagement board.

McLaren have chosen this year to sponsor one of the 50 snails being sculptured for Snailspace Brighton for charity Martlets. The Snail is located at the bottom of Sutherland Road / Eastern Road Junction. The snail is called Woniu, and has been created by the artist Jessica Perrin.

You Said, We Did!

The entrance to the site is looking untidy

McLaren have ordered new gates and signage

QR Codes

We have placed posters of our QR Codes along the site hoarding perimeter. Simply use your smartphone, iPhone, Android or Blackberry camera to scan the QR Code to find out more about the site works.

Site Operation Hours

The current hours of operation agreed with Brighton & Hove Council are:

Monday to Friday: 8am - 6pm
Saturday: 8am - 1pm
